If you can't be in DC on the 6th, please organize to protest outside media headquarters and local news stations. They are the enemy. (i.maga.host)

2 True. I've been urging people to go to their state capitols on the 6th if they can't make DC. And telling them not wait for something organized, just go with Trump flags and StopTheSteal signs. But TV stations, whatever. Get out there and help bring national attention to the DC event.
